

Fully Automatic CO2 Welding Machine 380V CO2 Welding Equipment

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Jin Hongxiang
- Certification: CE
- Model Number: JLH
- Minimum Order Quantity: 1 set
- Price: \$7,999.00/sets 1-1 sets
- Packaging Details: Export wooden case
- Delivery Time: 5-10 days or negotiation
- Supply Ability: 100 Set/Sets per Month

Product Specification

- Machine Type: Automatic Gas Shielded Welding
- Core Components: PLC Programming, Touch Screen Display
- Key Selling Points: Exquisite Design, Precise Processing,
- Weight (KG): 200
- Voltage: 380V
- Usage: Spot Welding Or Pull Welding
- Feature: Fully Automatic
- Advantage: High Speed Stability
- Highlight: **Fully Automatic CO2 Welding Machine,
CE Automatic CO2 Welding Machine,
380V CO2 Welding Equipment**

Product Description

CO2 gas shielded automatic welding machine 4 welding guns

Our Product Introduction

for more products please visit us on wire-bendingmachine.com

This machine is a combination of four CO2 welding machines plus automatic feeding and automatic spot welding devices.

With PLC programming, display screen design, convenient, practical, fast, efficient and less manpower. Only workers are required to place materials, and other machines can automatically complete CO2 welding, which is convenient for the factory to recruit workers and put them into production.

2+2 combination, two welding guns weld the two ends of one nut, four welding guns weld the two ends of two nuts, automatic material conveying, automatic welding, automatic blanking, which is very convenient, fast, time-saving and labor-saving.

Application

Independent R & D and production, focusing on welding and forming equipment for more than 20 years. It is exported to the world, and there are sales companies in Vietnam. It has accumulated tens of thousands of customers.

FAQ

Q: What is your normal lead time?

A. If there is stock, our company usually receives the payment for goods and delivers them within a week. If it needs to be customized, the delivery cycle is usually 3-4 weeks after receiving the deposit.

Q: What are your terms of payment?

A: We accept TT.

Q: What kind of packing do you offer?

A. Packaging is usually installed for the export of plywood boxes.

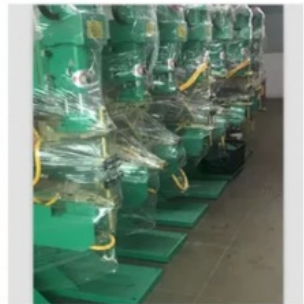

Q: What is the minimum order quantity you can produce?

A. Usually we have them in stock, and the minimum order is 1 set.

Q: How to control product quality?

A. We always attach great importance to product quality. Before leaving the factory, it will be fully aged and debugged. And we always adhere to the principle of "providing customers with better quality, better price and better service."
